## If You Were Diagnosed with Cancer, Would \$15,000 Help?

Upon diagnosis of cancer, we send a lump sum cash payment directly to you, followed by two more cash payments over the next 12 months to help you with recovery. You can use your cash benefit however you choose—to help with your everyday living expenses, pay your out-of-pocket medical costs or help replace lost income. Your benefit is paid in full regardless of any other insurance you may have.

### Cancer Advocate Plus Pays Cash Benefits

Payment Upon Diagnosis of Cancer	\$5,000
Recovery Payment (6 Months After Diagnosis)	\$5,000
Recovery Payment (12 Months After Diagnosis)	\$5,000
<b>Total Cash Payment</b>	<b>\$15,000</b>

*Cancer diagnosis must be on or after effective date for the benefits to be payable. This example is solely to illustrate a situation that can result in benefits payable for a claim. It is not based on an actual claim.*

<sup>3</sup>Complete remission is defined as having no symptoms and no signs that can be identified to indicate the presence of cancer.
