Useful Information to Maximize Benefits

- *To maximize your benefits, always use in-network providers for services covered by your health benefit plan. To find in-network providers, check a provider directory, provider finder website (**FL.ExploreMyPlan.com/FindADoctor)** or call 1-855-630-6824).*
- *In-network hospitals, physicians and other healthcare providers have a contract with Blue Cross and Blue Shield of Florida or another Blue Cross and/or Blue Shield Plan for furnishing healthcare services at a reduced price (examples: BlueCard® PPO, PMD). In-network pharmacies are pharmacies that participate with Blue Cross and Blue Shield or its Pharmacy Benefit Manager(s).*
- *Note: Home Sleep Studies are not subject to medical criteria for coverage; however, Outpatient Sleep Studies are subject to standard medical criteria for coverage in all tiers.*
- *In Florida, in-network services provided by mental health disorders and substance abuse professionals are available. Sometimes an in-network provider may furnish a service to you that is not covered under the contract between the provider and a Blue Cross and/or Blue Shield Plan. When this happens, benefits may be denied or reduced. Please refer to your benefit booklet for the type of provider network that we determine to be an in-network provider for a particular service or supply.*
- *Out-of-network providers generally do not contract with Blue Cross and Blue Shield of Florida or another Blue Cross and/or Blue Shield Plan. If you use out-of-network providers, you may be responsible for filing your own claims and paying the difference between the provider's charge and the allowed amount. The allowed amount may be based on the negotiated rate payable to in-network providers in the same area or the average charge for care in the area, or in accordance with applicable Federal law.*
