

# Life Insurance with Long Term Care

## What coverage is best for you?

---

Employees, their spouses, and dependent(s) have an opportunity to enroll in a life insurance program that includes benefits for long term care such as nursing home care, assisted living facilities, and adult daycare. Here is an example of how the new benefit could provide for you and your family.

### Protected Paul | Sample Rate

Paul is 45 years old and enrolls in a \$50,000 death benefit policy.

- His long term care coverage is equal to three times his death benefit or \$150,000.
- If Paul needs long term care, he will receive \$2,000 or 4% of his death benefit per month until the \$50,000 benefit is exhausted.
- The plan costs Paul \$16.57 per week.

At age 67, Paul requires long term care and is on claim for 6 years (72 months) before passing.

- Paul uses \$144,000 of his long term care benefit, and pays \$18,956.08 in premiums.
- Paul's premium is waived upon filing a long term care claim after the 90 day elimination period.
