About this Enrollment Guide

This enrollment guide is designed to provide an easy-to-read overview of the Fisher-Titus benefit plans. Should there be any conflict between the explanations in this guide and the actual terms and provisions of the plan documents and contracts, the terms of the plan documents and contracts will govern in all cases. You will not gain any new rights or benefits because of a misstatement or omission in this guide. None of the information should be interpreted as a guarantee of employment. Fisher -Titus reserves the right to amend, change, or terminate any benefit plan at any time.
