

Thor Industries, Inc. Welfare Benefit Plan: Important Disclosures & Notices

Michelle's Law Notice

If the Plan provides for dependent coverage that is based on a dependent's full-time student status, then this Michelle's Law Notice applies. If there is a medically necessary leave of absence from a post-secondary educational institution or other change in enrollment that: (1) begins while a dependent child is suffering from a serious illness or injury; (2) is certified by a physician as being medically necessary; and (3) causes the dependent child to lose student status for purposes of coverage under the plan, that child may maintain dependent eligibility for up to one year. If the treating physician does not provide written documentation when requested by the Plan Administrator that the serious illness or injury has continued, making the leave of absence medically necessary, the plan will no longer provide continued coverage. ❖

Benefits during a Leave of Absence

Your health benefits may be protected and maintained during a leave of absence, such as a leave qualifying under the Family Medical Leave Act. Other leaves of absence may, however, render you ineligible to participate in the health plan. If coverage is lost due to a leave of absence, you may be eligible to continue coverage under COBRA. Similarly, if you become ineligible for health benefits due to a leave of absence for military reasons, you may be eligible to continue that coverage under USERRA. Please contact your Human Resources Department or your manager for more information regarding what benefits are protected and maintained during a leave of absence and for more information about FMLA, COBRA and USERRA. ❖

Premium Assistance under Medicaid and The Children's Health Insurance Program (CHIP)

If an Employee or an Employee's children are eligible for Medicaid or CHIP and are eligible for health coverage from an employer, the state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If the Employee or his/her children are not eligible for Medicaid or CHIP, they will not be eligible for these premium assistance programs but they may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If an Employee or his/her dependents are already enrolled in Medicaid or CHIP and they live in a State listed below, they may contact the State Medicaid or CHIP office to find out if premium assistance is available.

If an Employee or his/her dependents are NOT currently enrolled in Medicaid or CHIP, and they think they (or any of their dependents) might be eligible for either of these programs, they can contact the State Medicaid or CHIP office or dial **1-877-KIDS NOW** or visit www.insurekidsnow.gov to find out how to apply. If they qualify, ask if the state has a program that might help pay the premiums for an employer-sponsored plan.

If an Employee or his/her dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under their employer plan, the employer must allow the Employee to enroll in the employer plan if they are not already enrolled. This is called a "special enrollment" opportunity, and **the Employee must request coverage within 60 days of being determined eligible for premium assistance**. If the Employee has questions about enrolling in the employer's plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

Employees living in one of the following States, may be eligible for assistance paying employer health plan premiums. The following list of States is current as of January 31, 2023. V 0.1.0.
The most recent CHIP notice can be found at <https://www.dol.gov/agencies/ebsa/laws-and-regulations/laws/chipra>. Contact the respective State for more information on eligibility –

Patient Protection Notice

If the Thor Industries, Inc. Welfare Benefit Plan generally requires the designation of a primary care provider, you have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. If the plan or health insurance coverage designates a primary care provider automatically, you will be able to designate a new provider. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact Human Resources. ❖

Women's Health and Cancer Rights Act of 1998

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient for:

- All stages of reconstruction of the breast on which the mastectomy was performed.
- Surgery and reconstruction of the other breast to produce a symmetrical appearance.
- Prostheses.
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. ❖

Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers offering group health insurance coverage generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a normal vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 or 96 hours, as applicable. Additionally, no group health plan or issuer may require that a provider obtain authorization from the Plan or insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours). ❖

Medical Child Support Orders

A Component Benefit Plan must recognize certain legal documents presented to the Plan Administrator by participants or their representatives. The Plan Administrator may be presented court orders which require child support, including health benefit coverage. The Plan Sponsor must recognize a Qualified Medical Child Support Order (QMCSO), within the meaning of ERISA section 609(a)(2)(B), under any Component Benefit Plan providing health benefit coverage.

A QMCSO is a state court or administrative agency order that requires an employer's medical plan to provide benefits to the child of an employee who is covered, or eligible for coverage, under the employer's plan. QMCSOs usually apply to a child who is born out of wedlock or whose parents are divorced. If a QMCSO applies, the employee must pay for the child's medical coverage and will be required to join the Plan if not already enrolled.

The Plan Administrator, when receiving a QMCSO, must promptly notify the employee and the child that the order has been received and what procedures will be used to determine if the order is "qualified." If the Plan Administrator determines the order is qualified and the employee must provide coverage for the child pursuant to the

QMCSO, contributions for such coverage will be deducted from the employee's paycheck in an amount necessary to pay for such coverage. The affected employee will be notified once it is determined the order is qualified. Participants and beneficiaries can obtain a copy of the procedure governing QMCSO determinations from the Plan Administrator without charge. ❖

New Health Insurance Marketplace Coverage Options and Your Health Coverage

PART A: General Information

When key parts of the health care law took effect in 2014, a new way to buy health insurance became available: the Health Insurance Marketplace. To assist Employees as they evaluate options for themselves and their family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by their employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help individuals and families find health insurance that meets their needs and fits their budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. Employees may also be eligible for a new kind of tax credit that lowers their monthly premium right away. The open enrollment period for health insurance coverage through the Marketplace began on Nov. 1st, and ended on Dec. 15. Individuals must have enrolled or changed plans prior to Dec. 15, for coverage starting as early as Jan. 1st. After Dec. 15th, individuals can get coverage through the Marketplace only if they qualify for a special enrollment period.

Can individuals Save Money on Health Insurance Premiums in the Marketplace?

Individuals may qualify to save money and lower monthly premiums, but only if their employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on premiums depends on household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If the Employee has an offer of health coverage from his/her employer that meets certain standards, they will not be eligible for a tax credit through the Marketplace and may wish to enroll in their employer's health plan. However, an individual may be eligible for a tax credit that lowers their monthly premium, or a reduction in certain cost-sharing if their employer does not offer coverage at all or does not offer coverage that meets certain standards. If the cost of a plan from an employer that would cover the Employee (and not any other members of their family) is more than 9.12% of household income for the year, or if the coverage the employer provides does not meet the "minimum value" standard set by the Affordable Care Act, the Employee may be eligible for a tax credit.*

Note: If a health plan is purchased through the Marketplace instead of accepting health coverage offered by an employer, then the Employee may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution - as well as the employee contribution to employer-offered coverage - is often excluded from income for Federal and State income tax purposes. Any Employee payments for coverage through the Marketplace are made on an after-tax basis.

How Can Individuals Get More Information?

For more information about coverage offered by the Employer, please check the summary plan description or contact Human Resources.

The Marketplace can help when evaluating coverage options, including eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in the area.

* An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60% of such costs. ❖

Special Enrollment Rights

If an employee declines enrollment for him/herself or for their dependents (including their spouse) because of other health insurance coverage, they may be able to enroll him/herself or their dependents in this Plan in the future, provided they request enrollment within 30 days after their other coverage ends. Coverage will begin under this Plan no later than the first day of the first month beginning after the date the plan receives a timely request for enrollment.

If an employee acquires a new dependent as a result of marriage, birth, adoption, or placement for adoption, they may be able to enroll him/herself and their dependents provided that they request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption. If an employee adds coverage under these circumstances, they may add coverage mid-year. For a new spouse or dependent acquired by marriage, coverage is effective no later than the first day of the first month beginning after the date the plan receives a timely request for the enrollment. When a new dependent is acquired through birth, adoption, or placement for adoption, coverage will become effective retroactive to the date of the birth, adoption, or placement for adoption. The plan does not permit mid-year additions of coverage except for newly eligible persons and special enrollees.

Individuals gaining or losing Medicaid or State Child Health Insurance Coverage (SCHIP)

If an employee or their dependent was:

1. covered under Medicaid or a state child health insurance program and that coverage terminated due to loss of eligibility, or

2. becomes eligible for premium assistance under Medicaid or state child health insurance program, a special enrollment period under this Plan will apply.

The employee must request coverage under this Plan within 60 days after the termination of such Medicaid or SCHIP, or within 60 days of becoming eligible for the premium assistance from Medicaid or the SCHIP. Coverage under the plan will become effective on the date of termination of eligibility for Medicaid/state child health insurance program, or the date of eligibility for premium assistance under Medicaid or SCHIP. ❖

Right to Request Restrictions on Uses and Disclosures: An individual may request the Plan to restrict uses and disclosures of their health information. The Plan will accommodate reasonable requests; however, it is not required to agree to the request, unless it is for services paid completely by the individual out of their own pocket. A wish to request a restriction must be sent in writing to HIPAA Privacy Officer, at Heartland RV, 2831 Dexter Drive Elkhart, IN 46514, 574-266-8726.

A written request must be provided to HIPAA Privacy Officer at Heartland RV, 2831 Dexter Drive Elkhart, IN 46514, 574-266-8726. If the individual requests a copy of their health information, the Plan may charge a reasonable fee for copying, assembling costs and postage, if applicable, associated with their request.

Right to Amend Your Health Information: You may request the Plan

A single 30-day extension is allowed if the Plan is unable to comply with this deadline. A written request must be provided to HIPAA Privacy Officer, at Heartland RV, 2831 Dexter Drive Elkhart, IN 46514, 574-266-8726. The request may be denied in whole or part and if so, the Plan will provide a written explanation of the denial.

Right to an Accounting of Disclosures: An individual may request a list of disclosures made by the Plan of their health information during the six years prior to their request (or for a specified shorter period of time). However, the list will not include disclosures made: (1) to carry out treatment, payment or health care operations; (2) disclosures made prior to April 14, 2004; (3) to individuals about their own health information; and (4) disclosures for which the individual provided a valid authorization.

A request for an accounting form must be used to make the request and can be obtained by contacting the HIPAA Privacy Officer at Heartland RV, 2831 Dexter Drive Elkhart, IN 46514, 574-266-8726. The accounting will be provided within 60 days from the submission of the request form. An additional 30 days is allowed if this deadline cannot be met.

Right to Receive Confidential Communications: An individual may request that the Plan communicate with them about their health information in a certain way or at a certain location if they feel the disclosure could endanger them. The individual must provide the request in writing to the HIPAA Privacy Officer at Heartland RV, 2831 Dexter Drive Elkhart, IN 46514, 574-266-8726. The Plan will attempt to honor all reasonable requests.

Right to a Paper Copy of this Notice: Individuals may request a paper copy of this Notice at any time, even if they have agreed to receive this Notice electronically. They must contact their

HIPAA Privacy Officer at Heartland RV, 2831 Dexter Drive Elkhart, IN 46514, 574-266-8726 to make this request.

The Plan's Duties: The Plan is required by law to maintain the privacy of individual health information as related in this Notice and to provide this Notice of its duties and privacy practices. The Plan is required to abide by the terms of this Notice, which may be amended from time to time. The Plan reserves the right to change the terms of this Notice and to make the new Notice provisions effective for all health information that it maintains.

Complaints and Contact Person: If an individual wishes to exercise their rights under this Notice, communicate with the Plan about its privacy policies and procedures, or file a complaint with the Plan, they must contact the HIPAA Contact Person, at Heartland RV, 2831 Dexter Drive Elkhart, IN 46514, 574-266-8726. They may also file a complaint with the Secretary of Health and Human Services if they believe their privacy rights have been violated. ❖

Important Notice from Thor Industries, Inc. Welfare Benefit Plan about Your Prescription Drug Coverage and Medicare (Creditable Coverage)

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Heartland RV and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare

drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. Heartland RV has determined that the prescription drug coverage offered by the Heartland RV Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Heartland RV coverage will not be affected.

If you do decide to join a Medicare drug plan and drop your current Heartland RV coverage, be aware that you and your dependents will be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Heartland RV and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your

monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.
