Re: Changes to the Thor Industries, Inc. 401(k) Plan

Dear Plan Participant:

Thor Industries, Inc. is committed to periodically reviewing the Thor Industries, Inc. 401(k) Plan (the "Plan") to make sure it continues to help you meet your retirement and financial goals. Among the things considered are the range of investment options available through the Plan, investment option performance and value, and whether the Plan gives you access to services that complement your account.

As a result of a recent review, Thor Industries, Inc. has decided to make the following change to the Plan's investment lineup.

The change described below will take place without any action required on your part; however, you will have the opportunity to make changes. Go to the *What Do I Need to Do?* section to learn more.

Investment Option Descriptions

Dodge & Cox Stock Fund Class I

Ticker: DODGX

Gross Expense Ratio: 0.51% as of **08/24/2022**

Objective: The investment seeks long-term growth of principal and income; a secondary objective is to achieve a reasonable current income.

Strategy: The fund invests primarily in a diversified portfolio of equity securities. It will invest at least 80% of its total assets in equity securities, including common stocks, depositary receipts evidencing ownership of common stocks, certain preferred stocks, securities convertible into common stocks, and securities that carry the right to buy common stocks. The fund may invest up to 20% of its total assets in U.S. dollar-denominated securities of non-U.S. issuers traded in the United States that are not in the S&P 500 Index.

Risk: Value stocks can perform differently than other types of stocks and can continue to be undervalued by the market for long periods of time. Stock markets are volatile and can decline significantly in response to adverse issuer, political, regulatory, market, economic or other developments. These risks may be magnified in foreign markets. Additional risk information for this product may be found in the prospectus or other product materials, if available.

Short Term Trading Fee: None

Who may want to invest:

- Someone who is seeking the potential for long-term share-price appreciation and, secondarily, dividend income.
- Someone who is comfortable with the volatility of large-cap stocks and value-style investments.

Footnotes:

- This description is only intended to provide a brief overview of the mutual fund. Read the fund's prospectus for more detailed information about the fund.
- S&P 500 Index is a market capitalization-weighted index of 500 common stocks chosen for market size, liquidity, and industry group representation to represent U.S. equity performance.
- As of 05/06/2022, Fidelity was notified this fund changed its name from Dodge & Cox Stock Fund. See the fund's prospectus for any additional details.

Harbor Capital Appreciation Fund Institutional Class

Ticker: HACAX

Gross Expense Ratio: 0.71% as of **08/24/2022**

Objective: The investment seeks long-term growth of capital.

Strategy: The fund invests primarily in equity securities, principally common and preferred stocks, of U.S. companies with market capitalizations of at least \$1 billion at the time of purchase and that the Subadviser considers to have above average prospects for growth. The stocks of mid and large cap companies in the fund's portfolio are those the Subadviser expects to maintain or achieve above average earnings growth. The fund may invest up to 20% of its total assets in the securities of foreign issuers, including issuers located or doing business in emerging markets.

Risk: Growth stocks can perform differently from the market as a whole and can be more volatile than other types of stocks. Stock markets are volatile and can decline significantly in response to adverse issuer, political, regulatory, market, economic or other developments. These risks may be magnified in foreign markets. Additional risk information for this product may be found in the prospectus or other product materials, if available.

Short Term Trading Fee: None

Who may want to invest:

- Someone who is seeking the potential for long-term share-price appreciation.
- Someone who is willing to accept the generally greater price volatility associated with growth-oriented stocks.

Footnotes:

- This description is only intended to provide a brief overview of the mutual fund. Read the fund's prospectus for more detailed information about the fund.

Before investing in any mutual fund, consider the investment objectives, risks, charges, and expenses. Contact Fidelity for a prospectus or, if available, a summary prospectus containing this information. Read it

carefully.

Investing involves risk, including risk of loss.

For a mutual fund, the expense ratio is the total annual fund or class operating expenses (before waivers or reimbursements) paid by the fund and stated as a percentage of the fund's total net assets. Expense ratios change periodically and are drawn from the fund's prospectus. For more detailed fee information, see the fund prospectus or annual or semiannual reports.
