SUSAN'S JOURNEY

Learn more about Susan's Longevity Journey at DNANAV.com

2 Million people in the US will be diagnosed with serious cancer this year

1 out of 2 men and 1 out of 3 women will develop cancer in their lifetime

1 in 7 cancers are misdiagnosed

One person dies **every 33 seconds** from cardiovascular disease

WHAT WE OFFER:

Inform: Heritable DNA tests to inform risk of disease

Prevent: Access tools and resources to prevent and detect illness at the earliest stages

Care: Access to exclusive services, nurse navigators, and comprehensive genomic testing when you need it most
