NOTICE FOR RESIDENTS OF UTAH

Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - o \$500,000 in death benefits
 - o \$200,000 in cash surrender or withdrawal values
- Health Insurance
 - o \$500,000 in hospital, medical and surgical insurance benefits
 - o \$500,000 in long-term care insurance benefits
 - o \$500,000 in disability income insurance benefits
 - o \$500,000 in other types of health insurance benefits
- Annuities
 - o \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 3 IA, Chapter 28.

Insurance companies and agents are prohibited by Utah law to use the existence of the Association or its coverage to encourage you to purchase insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.utlifega.org or contact:

DENTAL INSURANCE: PROCEDURES FOR DENTAL CLAIMS

Claim Submission

For claims for Dental Insurance benefits, the claimant must complete the appropriate claim form and submit the required proof as described in the FILING A CLAIM section of the certificate.

Claim forms must be submitted in accordance with the instructions on the claim form.

Appealing the Initial Determination

If MetLife denies Your claim, You may take two appeals of the initial determination. Upon your written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to your claim. You must submit Your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife's decision. Appeals must be in writing and must include at least the following information:

- Name of Employee;
- Name of the Plan;
- Reference to the initial decision;
- Whether the appeal is the first or second appeal of the initial determination;
- An explanation why You are appealing the initial determination.

As part of each appeal You may submit any written comments, documents, records or other information relating to Your claim.

After MetLife receives Your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of Your claim. Deference will not be given to initial denials, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny Your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify You in writing of its final determination within 30 days after MetLife's receipt of Your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify You prior to the expiration of the 30 day period, state the reason(s) why an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. Upon written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim.

Policies and Procedures for Emergency and Urgent Care

Urgent care and Emergency services: All member dentists of the MetLife Preferred Dentist Program (PDP) are required to have 24-hour emergency coverage or have alternate arrangements for emergency care for their patients. Since the MetLife Preferred Dentist Program is a freedom-of-choice PPO program, there is no primary care physician. No authorization of a service is necessary by a Primary Care Physician, nor is it necessary to obtain a pre-authorization of services. The patient is free to use the dentist of their choice.

NOTICE TO RESIDENTS OF VIRGINIA (continued)

An important distinction to be made for this section is the difference between Urgent Care in a dental situation versus that found in medical. Urgent care is defined more narrowly in dental to mean the alleviation of severe pain (as there are no life-threatening situations in dental). Additionally, the alleviation of pain in dental is a simple palliative treatment, which is not subject to claim review.

The benefit amount will be consistent with the terms contained in the insured's contract.

Urgent Care Submission:

A small number of claims for dental expense benefits may be urgent care claims. Urgent care claims for dental expense benefits are claims for reimbursement of dental expenses for services which a dentist familiar with the dental condition determines would subject the patient to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim. Of course any such claim may always be submitted in accordance with the normal claim procedures. However your dentist may also submit such a claim to MetLife by telephoning MetLife and informing MetLife that the claim is an Urgent Care Claim. Urgent Care Claims are processed according to the procedures set out above, however once a claim for urgent care is submitted MetLife will notify you of the determination on the claim as soon as possible, but no later than 72 hours after the claim is filed. If you or your covered dependent does not provide the claims administrator with enough information to decide the claim, MetLife will notify you within 24 hours after it receives the claim of the further information that is needed. You will have 48 hours to provide the information. If the needed information is provided, MetLife will then notify you of the claim decision within 48 hours after MetLife received the information. If the needed information is not provided, MetLife will notify you or your covered dependent of its decision within 120 hours after the claim was received.

If your urgent care claim is denied but you receive the care, you may appeal the denial using the normal claim procedures. If your urgent care claim is denied and you do not receive the care, you can request an expedited appeal of your claim denial by phone or in writing. MetLife will provide you any necessary information to assist you in your appeal. MetLife will then notify you of its decision within 72 hours of your request in writing. However, MetLife may notify you by phone within the same time frames above and then mail you a written notice.

SPECIAL RULES FOR GROUPS PREVIOUSLY COVERED UNDER OTHER GROUP DENTAL COVERAGE

The following rules will apply if this Dental Insurance replaces other group dental coverage provided to You by the Policyholder.

Prior Plan means the group dental coverage provided to You by the Policyholder on the day before the Replacement Date.

Replacement Date means the effective date of this Dental Insurance under the Group Policy.

Rules if You or You and Your Dependents were Covered Under the Prior Plan on the Day Before the Replacement Date:

1. if You and Your Dependents were covered under the Prior Plan on the day before the Replacement Date, You will be eligible for this Dental Insurance on the Replacement Date if You are in an eligible class on such date;
2. if any of the following conditions occurred while coverage was in effect under the Prior Plan, We will treat such conditions as though they occurred while this Dental Insurance is in effect:
 - the loss of a tooth; and
 - the accumulation of amounts toward:
 - a) Annual Deductibles;
 - b) Annual Maximum Benefits;
 - c) Lifetime Maximum Benefits;
3. if a dental service was received while the Prior Plan was in effect and such service would be a Covered Service subject to frequency and/or time limitations if performed while this Dental Insurance is in effect, the receipt of such prior service will be counted toward the time and frequency limitations under this Dental Insurance;
4. if a government mandated continuation of coverage under the Prior Plan was in effect on the Replacement Date, such coverage may be continued under this Dental Insurance if the required payment is made for the cost of such coverage. In such case, benefits will be available under this Dental Insurance until the earlier of:
 - the date the continued coverage ends as set forth in the provisions of the government-mandated requirements; or
 - the date this Dental Insurance ends.

Rules if You or You and Your Dependents were NOT covered under the Prior Plan on the Day Before the Replacement Date:

1. You will be eligible for this Dental Insurance when You meet the eligibility requirements for such insurance as described in ELIGIBILITY PROVISIONS: INSURANCE FOR YOU;
2. Your Dependents will be eligible for this Dental Insurance when they meet the eligibility requirements for such insurance as described in ELIGIBILITY PROVISIONS: INSURANCE FOR YOUR DEPENDENTS; and
3. We will credit any time accumulated toward any eligibility waiting period under the Prior Plan to the satisfaction of any eligibility waiting period required to be met under this Dental Insurance.

CONTINUATION OF INSURANCE WITH PREMIUM PAYMENT

FOR MENTALLY OR PHYSICALLY HANDICAPPED CHILDREN

Insurance for a Dependent Child may be continued past the age limit if the child is incapable of self-sustaining employment because of a mental or physical handicap as defined by applicable law. Proof of such handicap must be sent to Us within 31 days after the date the Child attains the age limit and at reasonable intervals after such date.

Subject to the DATE YOUR INSURANCE FOR YOUR DEPENDENTS ENDS subsection of the section entitled ELIGIBILITY PROVISIONS: INSURANCE FOR YOUR DEPENDENTS, insurance will continue while such Child:

- remains incapable of self-sustaining employment because of a mental or physical handicap; and
- continues to qualify as a Child, except for the age limit.

FOR FAMILY AND MEDICAL LEAVE

Certain leaves of absence may qualify for continuation of insurance under the Family and Medical Leave Act of 1993 (FMLA), or other legally mandated leave of absence or similar laws. Please contact the Policyholder for information regarding such legally mandated leave of absence laws.

COBRA CONTINUATION FOR DENTAL INSURANCE

If Dental Insurance for You or a Dependent ends, You or Your Dependent may qualify for continuation of such insurance under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended (COBRA). Please refer to the COBRA section of Your summary plan description or contact the Policyholder for information regarding continuation of insurance under COBRA.

AT THE POLICYHOLDER'S OPTION

The Policyholder has elected to continue insurance by paying premiums for employees who cease Active Work in an eligible class for any of the reasons specified below. If Your insurance is continued, insurance for Your Dependents may also be continued.

Insurance will continue for the following periods:

1. if You cease Active Work due to any other Policyholder approved leave of absence, for a period in accordance with the Policyholder's general practice for an employee in Your job class;
2. if You cease Active Work due to layoff, for a period in accordance with the Policyholder's general practice for an employee in Your job class;
3. if You cease Active Work due to injury or sickness, for a period in accordance with the Policyholder's general practice for an employee in Your job class;
4. if You cease Active Work due to part-time work, for a period in accordance with the Policyholder's general practice for an employee in Your job class.

The Policyholder's general practice for employees in a job class determines which employees with the above types of absences are to be considered as still insured and for how long among persons in like situations.

At the end of any of the continuation periods listed above, Your insurance will be affected as follows:

- if You resume Active Work in an eligible class at this time, You will continue to be insured under the Group Policy;
- if You do not resume Active Work in an eligible class at this time, Your employment will be considered to end and Your insurance will end in accordance with the DATE YOUR INSURANCE ENDS subsection of the section entitled ELIGIBILITY PROVISIONS: INSURANCE FOR YOU.

If Your insurance ends, Your Dependents' insurance will also end in accordance with the DATE YOUR INSURANCE FOR YOUR DEPENDENTS ENDS subsection of the section entitled ELIGIBILITY PROVISIONS: INSURANCE FOR YOUR DEPENDENTS.

DENTAL INSURANCE

If You or a Dependent incur a charge for a Covered Service, Proof of such service must be sent to Us. When We receive such Proof, We will review the claim and if We approve it, will pay the insurance in effect on the date that service was completed.

This Dental Insurance gives You access to Dentists through the MetLife Preferred Dentist Program (PDP). Dentists participating in the PDP have agreed to limit their charge for a dental service to the Maximum Allowed Charge for such service. Under the PDP, We pay benefits for Covered Services performed by either In-Network Dentists or Out-of-Network Dentists. However, You may be able to reduce Your out-of-pocket costs by using an In-Network Dentist because Out-of-Network Dentists have not entered into an agreement with Us to limit their charges. You are always free to receive services from any Dentist. You do not need any authorization from Us to choose a Dentist.

The PDP does not provide dental services. Whether or not benefits are available for a particular service, does not mean You should or should not receive the service. You and Your Dentist have the right and are responsible at all times for choosing the course of treatment and services to be performed. After services have been performed, We will determine the extent to which benefits, if any, are payable.

When requesting a Covered Service from an In-Network Dentist, We recommend that You:

- identify Yourself as an insured in the Preferred Dentist Program; and
- confirm that the Dentist is currently an In-Network Dentist at the time that the Covered Service is performed.

The amount of the benefit will not be affected by whether or not You identify Yourself as a member in the Preferred Dentist Program.

You can obtain a customized listing of MetLife's In-Network Dentists either by calling 1-800-438-6388 or by visiting Our website at www.metlife.com/dental.

BENEFIT AMOUNTS

We will pay benefits in an amount equal to the Covered Percentage for charges incurred by You or a Dependent for a Covered Service as shown in the SCHEDULE OF BENEFITS, subject to the conditions set forth in this certificate.

The Covered Percentage for Covered Services performed by an In-Network Dentist is higher than the Covered Percentage for Covered Services performed by an Out-of-Network Dentist.

In-Network

If a Covered Service is performed by an In-Network Dentist, We will base the benefit on the Covered Percentage of the Maximum Allowed Charge.

If an In-Network Dentist performs a Covered Service, You will be responsible for paying:

- the Deductible; and
- any other part of the Maximum Allowed Charge for which We do not pay benefits.

Out-of-Network

If a Covered Service is performed by an Out-of-Network Dentist, We will base the benefit on the Covered Percentage of the Maximum Allowed Charge.

Out-of-Network Dentists may charge You more than the Maximum Allowed Charge. If an Out-of-Network Dentist performs a Covered Service, You will be responsible for paying:

- the Deductible; and
- any other part of the Maximum Allowed Charge for which We do not pay benefits; and
- any amount in excess of the Maximum Allowed Charge charged by the Out-of-Network Dentist.

DENTAL INSURANCE (continued)

Maximum Benefit Amounts

The SCHEDULE OF BENEFITS sets forth Maximum Benefit Amounts We will pay for Covered Services received In-Network and Out-of-Network. We will never pay more than the greater of the In-Network Maximum Benefit Amount or the Out-of-Network Maximum Benefit Amount.

For example, if a Covered Service is received Out-of-Network and We pay \$300 in benefits for such service, \$300 will be applied toward both the In-Network and the Out-of-Network Maximum Benefit Amounts applicable to such service.

Deductibles

The Deductible amounts are shown in the SCHEDULE OF BENEFITS.

The Yearly Individual Deductible is the amount that You must pay for Covered Services to which such Deductible applies each Year before We will pay benefits for such Covered Services.

We apply amounts used to satisfy Yearly Individual Deductibles to the Yearly Family Deductible. Once the Yearly Family Deductible is satisfied, no further Yearly Individual Deductibles are required to be met.

The amount We apply toward satisfaction of a Deductible for a Covered Service is the amount We use to determine benefits for such service. The Deductible Amount will be applied based on when Dental Insurance claims for Covered Services are processed by Us. The Deductible Amount will be applied to Covered Services in the order that Dental Insurance claims for Covered Services are processed by Us regardless of when a Covered Service is "incurred". When several Covered Services are incurred on the same date and Dental Insurance benefits are claimed as part of the same claim, the Deductible Amount is applied based on the Covered Percentage applicable to each Covered Service. The Deductible Amount will be applied in the order of highest Covered Percentage to lowest Covered Percentage.

Alternate Benefit

If We determine that a service, less costly than the Covered Service the Dentist performed, could have been performed to treat a dental condition, We will pay benefits based upon the less costly service if such service:

- would produce a professionally acceptable result under generally accepted dental standards; and
- would qualify as a Covered Service.

For example:

- when an amalgam filling and a composite filling are both professionally acceptable methods for filling a molar, We may base Our benefit determination upon the amalgam filling which is the less costly service;
- when a filling and an inlay are both professionally acceptable methods for treating tooth decay or breakdown, We may base Our benefit determination upon the filling which is the less costly service;
- when a filling and a crown are both professionally acceptable methods for treating tooth decay or breakdown, We may base Our benefit determination upon the filling which is the less costly service; and
- when a partial denture and fixed bridgework are both professionally acceptable methods for replacing multiple missing teeth in an arch, We may base Our benefit determination upon the partial denture which is the less costly service.

If We pay benefits based upon a less costly service in accordance with this subsection, the Dentist may charge You or Your Dependent for the difference between the service that was performed and the less costly service. This is the case even if the service is performed by an In-Network Dentist.

DENTAL INSURANCE (continued)

Certain comprehensive dental services have multiple steps associated with them. These steps can be completed at one time or during multiple sessions. For benefit purposes under this certificate, these separate steps of one service are considered to be part of the more comprehensive service. Even if the dentist submits separate bills, the total benefit payable for all related charges will be limited by the maximum benefit payable for the more comprehensive service. For example, root canal therapy includes x-rays, opening of the pulp chamber, additional x-rays, and filling of the chamber. Although these services may be performed in multiple sessions, they all constitute root canal therapy. Therefore, We will only pay benefits for the root canal therapy.

Orthodontic Covered Services

Orthodontic treatment generally consists of initial placement of an appliance and periodic follow-up visits.

The benefit payable for the initial placement will not exceed 20% of the Lifetime Maximum Benefit Amount for Orthodontia in effect when the course of treatment begins.

The benefit payable for the periodic follow-up visits will also be based on the Lifetime Maximum Benefit Amount for Orthodontia in effect when the course of treatment begins. It will be payable on a quarterly basis during the course of the orthodontic treatment if:

- Dental Insurance is in effect for the person receiving the orthodontic treatment; and
- Proof is given to Us that the orthodontic treatment is continuing.

Benefits for Orthodontic Services Begun Prior to this Dental Insurance

If the initial placement was made prior to this Dental Insurance being in effect, the benefit payable will be reduced by the portion attributable to the initial placement.

If the periodic follow-up visits commenced prior to this Dental Insurance being in effect:

- the number of months for which benefits are payable will be reduced by the number of months of treatment performed before this Dental Insurance was in effect; and
- the total amount of the benefit payable for the periodic visits will be reduced proportionately.

Pretreatment Estimate of Benefits

If a planned dental service is expected to cost more than \$300, You have the option of requesting a pretreatment estimate of benefits. The Dentist should submit a claim detailing the services to be performed and the amount to be charged. After We receive this information, We will provide You with an estimate of the Dental Insurance benefits available for the service. The estimate is not a guarantee of the amount We will pay. Under the Alternate Benefit provision, benefits may be based on the cost of a service other than the service that You choose. You are required to submit Proof on or after the date the dental service is completed in order for Us to pay a benefit for such service.

The pretreatment estimate of benefits is only an estimate of benefits available for proposed dental services. You are not required to obtain a pretreatment estimate of benefits. As always, You or Your Dependent and the Dentist are responsible for choosing the services to be performed.

Benefits We Will Pay After Insurance Ends

We will pay benefits for a 90 day period after Your Insurance ends for Covered Services other than routine examinations, prophylaxis, x-rays, sealants, orthodontic services, if:

- the Covered Service was recommended in Writing by a Dentist or Physician;
- the Covered Service was begun prior to the date Your Dental Insurance ended; and
- You did not voluntarily end this Dental Insurance.

We will not pay for benefits for Covered Services after the date You are insured for similar benefits by a plan that replaces this Dental Insurance, unless an elimination period under that plan prevents You from receiving benefits for Covered Services.

DENTAL INSURANCE: COORDINATION OF BENEFITS

When You or a Dependent incur charges for Covered Services, there may be other Plans, as defined below, that also provide benefits for those same charges. In that case, We may reduce what We pay based on what the other Plans pay. This Coordination of Benefits section explains how and when We do this.

DEFINITIONS

In this section, the terms set forth below have the following meanings:

Allowable Expense means a necessary dental expense for which both of the following are true:

- a covered person must pay it; and
- it is at least partly covered by one or more of the Plans that provide benefits to the covered person.

If a Plan provides fixed benefits for specified events or conditions (instead of benefits based on expenses incurred), such benefits are Allowable Expenses.

If a Plan provides benefits in the form of services, We treat the reasonable cash value of each service performed as both an Allowable Expense and a benefit paid by that Plan.

The term does not include:

- expenses for services performed because of a Job-Related Injury or Sickness;
- any amount of expenses in excess of the higher reasonable and customary fee for a service, if two or more Plans compute their benefit payments on the basis of reasonable and customary fees;
- any amount of expenses in excess of the higher negotiated fee for a service, if two or more Plans compute their benefit payments on the basis of negotiated fees; and
- any amount of benefits that a Primary Plan does not pay because the covered person fails to comply with the Primary Plan's managed care or utilization review provisions, these include provisions requiring:
 - second surgical opinions;
 - pre-certification of services;
 - use of providers in a Plan's network of providers; or
 - any other similar provisions.

We won't use this provision to refuse to pay benefits because an HMO member has elected to have dental services provided by a non-HMO provider and the HMO's contract does not require the HMO to pay for providing those services.

Claim Determination Period means a period that starts on any January 1 and ends on the next December 31. A Claim Determination Period for any covered person will not include periods of time during which that person is not covered under This Plan.

Custodial Parent means a Parent awarded custody, other than joint custody, by a court decree. In the absence of a court decree, it means the Parent with whom the child resides more than half of the Year without regard to any temporary visitation.

HMO means a Health Maintenance Organization or Dental Health Maintenance Organization.

Job-Related Injury or Sickness means any injury or sickness:

- for which You are entitled to benefits under a workers' compensation or similar law, or any arrangement that provides for similar compensation; or
- arising out of employment for wage or profit.

Parent means a person who covers a child as a dependent under a Plan.

DENTAL INSURANCE: COORDINATION OF BENEFITS (continued)

Plan means any of the following, if it provides benefits or services for an Allowable Expense:

- a group insurance plan;
- an HMO;
- a blanket plan;
- uninsured arrangements of group or group type coverage;
- a group practice plan;
- a group service plan;
- a group prepayment plan;
- any other plan that covers people as a group;
- motor vehicle No Fault coverage if the coverage is required by law; and
- any other coverage required or provided by any law or any governmental program, except Medicaid.

The term does not include any of the following:

- individual or family insurance or subscriber contracts;
- individual or family coverage through closed panel Plans or other prepayment, group practice or individual practice Plans;
- hospital indemnity coverage;
- a school blanket plan that only provides accident-type coverage on a 24 hour basis, or a "to and from school basis," to students in a grammar school, high school or college;
- disability income protection coverage;
- accident only coverage;
- specified disease or specified accident coverage;
- nursing home or long term care coverage; or
- any government program or coverage if, by state or Federal law, its benefits are excess to those of any private insurance plan or other non-government plan.

The provisions of This Plan, which limit benefits based on benefits or services provided under plans which the Policyholder (or an affiliate) contributes to or sponsors will not be affected by these Coordination of Benefits provisions.

Each policy, contract or other arrangement for benefits is a separate Plan. If part of a Plan reserves the right to reduce what it pays based on benefits or services provided by other Plans, that part will be treated separately from any parts which do not. If two people are both insured under This Plan as employees, each person's insurance will be treated as a separate Plan.

This Plan means the dental benefits described in this certificate, except for any provisions in this certificate that limit insurance based on benefits for services provided under plans which the Policyholder (or an affiliate) contributes to or sponsors.

Primary Plan means a Plan that pays its benefits first under the "Rules to Decide Which Plan Is Primary" section. A Primary Plan pays benefits as if the Secondary Plans do not exist.

Secondary Plan means a Plan that is not a Primary Plan. A Secondary Plan may reduce its benefits by amounts payable by the Primary Plan. If there are more than two Plans that provide coverage, a Plan may be Primary to some plans, and Secondary to others.

DENTAL INSURANCE: COORDINATION OF BENEFITS (continued)

RULES TO DECIDE WHICH PLAN IS PRIMARY

When more than one Plan covers the person for whom Allowable Expenses were incurred, We determine which plan is primary by applying the rules in this section.

When there is a basis for claim under This Plan and another Plan, This Plan is Secondary unless:

- the other Plan has rules coordinating its benefits with those of This Plan; and
- this Plan is primary under This Plan's rules.

The first rule below, which will allow Us to determine which Plan is Primary, is the rule that We will use.

Dependent or Non-Dependent: A Plan that covers a person other than as a dependent (for example, as an employee, member, subscriber, or retiree) is Primary and shall pay its benefits before a Plan that covers the person as a dependent; except that if the person is a Medicare beneficiary and, as a result of federal law or regulations, Medicare is:

- Secondary to the Plan covering the person as a dependent; and
- Primary to the Plan covering the person as other than a dependent (e.g., a retired employee);

then the order of benefits between the two Plans is reversed and the Plan that covers the person as a dependent is Primary.

Child Covered Under More Than One Plan – Court Decree: When This Plan and another Plan cover the same Child as the Dependent of two or more Parents, and the specific terms of a court decree state that one of the Parents must provide health coverage or pay for the Child's health care expenses, that Parent's Plan is Primary, if the Plan has actual knowledge of those terms. This rule applies to Claim Determination Periods that start after the Plan is given notice of the court decree.

Child Covered Under More Than One Plan – The Birthday Rule: When This Plan and another Plan cover the same Child as the Dependent of two or more Parents, the Primary Plan is the Plan of the Parent whose birthday falls earlier in the Year if:

- the Parents are married; or
- the Parents are not separated (whether or not they have ever married); or
- a court decree awards joint custody without specifying which Parent must provide health coverage.

If both Parents have the same birthday, the Plan that covered either of the Parents longer is the Primary Plan.

However, if the other Plan does not have this rule, but instead has a rule based on the gender of the parent, and if, as a result, the Plans do not agree on the order of benefits, the rule in the other Plan will determine the order of benefits.

Child Covered Under More than One Plan – Custodial Parent: When This Plan and another Plan cover the same Child as the Dependent of two or more Parents, if the Parents are not married, or are separated (whether or not they ever married), or are divorced, the Primary Plan is:

- the Plan of the Custodial Parent; then
- the Plan of the spouse of the Custodial Parent; then
- the Plan of the non-custodial Parent; and then
- the Plan of the spouse of the non-custodial Parent.

DENTAL INSURANCE: COORDINATION OF BENEFITS (continued)

Active or Inactive Employee: A Plan that covers a person as an employee who is neither laid off nor retired is Primary to a Plan that covers the person as a laid-off or retired employee (or as that person's Dependent). If the other Plan does not have this rule and, if as a result, the Plans do not agree on the order of benefits, this rule is ignored.

Continuation Coverage: The Plan that covers a person as an active employee, member or subscriber (or as that employee's Dependent) is Primary to a Plan that covers that person under a right of continuation pursuant to federal law (e.g., COBRA) or state law. If the Plan that covers the person has not adopted this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule shall not apply.

Longer/Shorter Time Covered: If none of the above rules determine which Plan is Primary, the Plan that has covered the person for the longer time shall be Primary to a Plan that has covered the person for a shorter time.

No Rules Apply: If none of the above rules determine which Plan is Primary, the Allowable Expenses shall be shared equally between all the Plans. In no event will This Plan pay more than it would if it were Primary.

EFFECT ON BENEFITS OF THIS PLAN

If This Plan is Secondary, when the total Allowable Expenses incurred by a covered person in any Claim Determination Period are less than the sum of:

- the benefits that would be payable under This Plan without applying this Coordination of Benefits provision; and
- the benefits that would be payable under all other Plans without applying Coordination of Benefits or similar provisions;

then We will reduce the benefits that would otherwise be payable under This Plan. The sum of these reduced benefits, plus all benefits payable for such Allowable Expenses under all other Plans, will not exceed the total of the Allowable Expenses. Benefits payable under all other Plans include all benefits that would be payable if the proper claims had been made on time.

RIGHT TO RECEIVE AND RELEASE NEEDED INFORMATION

We need certain information to apply the Coordination of Benefits rules. We have the right to decide which facts We need. We may get facts from or give them to any other organization or person. We do not need to tell, or get the consent of, any person or organization to do this. To obtain all benefits available, a covered person who incurs Allowable Expenses should file a claim under each Plan which covers the person. Each person claiming benefits under This Plan must give Us any facts We need to pay the claim.

FACILITY OF PAYMENT

A payment made under another Plan may include an amount which should have been paid under This Plan. If it does, We may pay that amount to the organization which made that payment. That amount will then be treated as though it were a benefit paid under This Plan. We will not have to pay that amount again. The term "payment made" includes benefits provided in the form of services, in which case We may pay the reasonable cash value of the benefits provided in the form of services.

DENTAL INSURANCE: COORDINATION OF BENEFITS (continued)

RIGHT OF RECOVERY

If the amount We pay is more than We should have paid under this Coordination of Benefits provision, We may recover the excess from one or more of:

- the person We have paid or for whom We have paid;
- insurance companies; or
- other organizations.

The amount of the payment includes the reasonable cash value of any benefits provided in the form of services.

FILING A CLAIM

CLAIMS FOR DENTAL INSURANCE BENEFITS

For Dental Insurance, all claim forms needed to file for benefits under the group insurance program can be obtained by calling MetLife at 1-800-438-6388. Dental claim forms can also be downloaded from www.metlife.com/dental. The instructions on the claim form should be followed carefully. This will expedite the processing of the claim.

The claim form will be sent to the claimant within 15 days of the request. If the claimant has not received a claim form within 15 days of giving notice of the claim, Proof may be sent using any form sufficient to provide Us with the required Proof.

Both the notice of claim and the required Proof described in the claim form should be sent to Us within 90 days of the date of a loss.

If notice of claim or Proof is not given within the time limits described in this section, the delay will not cause a claim to be denied or reduced if such notice or Proof are given as soon as is reasonably possible.

When We receive the claim form and Proof, We will review the claim and, if We approve it, We will pay benefits subject to the terms and provisions of this certificate and the Group Policy.

Time Limit on Legal Actions. A legal action on a claim may only be brought against Us during a certain period. This period begins 60 days after the date Proof is filed and ends 5 years after the date such Proof is required.

DENTAL INSURANCE: PROCEDURES FOR DENTAL CLAIMS

Claim Submission

For claims for Dental Insurance benefits, the claimant must complete the appropriate claim form and submit the required proof as described in the FILING A CLAIM section of the certificate.

Claim forms must be submitted in accordance with the instructions on the claim form.

Routine Questions on Dental Insurance Claims

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-800-438-6388.

Initial Determination

After You submit a claim for Dental Insurance benefits to MetLife, MetLife will review Your claim and notify You of its decision to approve or deny Your claim.

Such notification will be provided to You within a 30 day period from the date You submitted Your claim; except for situations requiring an extension of time of up to 15 days because of matters beyond the control of MetLife. If MetLife needs such an extension, MetLife will notify You prior to the expiration of the initial 30 day period, state the reason why the extension is needed, and state when it will make its determination. If an extension is needed because You did not provide sufficient information or filed an incomplete claim, the time from the date of MetLife's notice requesting further information and an extension until MetLife receives the requested information does not count toward the time period MetLife is allowed to notify You as to its claim decision. You will have 45 days to provide the requested information from the date You receive the notice requesting further information from MetLife.

If MetLife denies Your claim in whole or in part, the notification of the claims decision will state the reason why Your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied because MetLife did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criterion was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge.

Appealing the Initial Determination

If MetLife denies Your claim, You may take two appeals of the initial determination. Upon Your written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim. You must submit Your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife's decision. Appeals must be in writing and must include at least the following information:

- Name of Employee
- Name of the Plan
- Reference to the initial decision
- Whether the appeal is the first or second appeal of the initial determination
- An explanation why You are appealing the initial determination.

As part of each appeal, You may submit any written comments, documents, records, or other information relating to Your claim.

After MetLife receives Your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of Your claim. Deference will not be given to initial denials, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial

DENTAL INSURANCE: PROCEDURES FOR DENTAL CLAIMS (continued)

decision to deny Your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify You in writing of its final decision within 30 days after MetLife's receipt of Your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify You prior to the expiration of the initial 30 day period, state the reason(s) why such an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. Upon written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim.

If such overpayment occurs, You have an obligation to reimburse Us.

If the overpayment results from Our having made a payment to You that should have been made under another group plan, We may recover such overpayment from one or more of the following:

- any other insurance company;
- any other organization; or

HIPAA limits our ability to use and disclose the information that we obtain as a result of your request or purchase of insurance. You must make your request in writing listing the account or policy numbers with the information you want to access. For legal reasons, we may not show you privileged information relating to a claim or lawsuit, unless required by law.

If you tell us that what we know about you is incorrect, we will review it. If we agree, we will update our records. Otherwise, you may dispute our findings in writing, and we will include your statement whenever we give your disputed information to anyone outside MetLife.

NOTICE DETAILS

We protect your PHI from inappropriate use or disclosure. Our employees, and those of companies that help us service your MetLife Coverage, are required to comply with our requirements that protect the confidentiality of PHI. They may look at your PHI only when there is an appropriate reason to do so, such as to administer our products or services.

Except in the case of Long-Term Care Coverage, we will **not use or disclose** PHI that is genetic information for underwriting purposes. For example, we will not use information from a genetic test (such as DNA or RNA analysis) of an individual or an individual's family members to determine eligibility, premiums or contribution amounts under your Coverage.

We will **not sell or disclose** your PHI to any other company for their use in marketing their products to you. However, as described below, we will use and disclose PHI about you for business purposes relating to your Coverage.

The main reasons we may **use** and **disclose** your PHI are to evaluate and process any requests for coverage and claims for benefits you may make or in connection with other health-related benefits or services that may be of interest to you. The following describe these and other uses and disclosures.

- **For Payment:** We may use and disclose PHI to pay benefits under your Coverage. For example, we may review PHI contained in claims to reimburse providers for services rendered. We may also disclose PHI to other insurance carriers to coordinate benefits with respect to a particular claim. Additionally, we may disclose PHI to a health plan or an administrator of an employee welfare benefit plan for various payment-related functions, such as eligibility determination, audit and review, or to assist you with your inquiries or disputes.

- **For Health Care Operations:** We may also use and disclose PHI for our insurance operations. These purposes include evaluating a request for our products or services, administering those products or services, and processing transactions requested by you.

- **To Affiliates and Business Associates:** We may disclose PHI to Affiliates and to business associates outside of the MetLife family of companies if they need to receive PHI to provide a service to us and will agree to abide by specific HIPAA rules relating to the protection of PHI. Examples of business associates are: billing companies, data processing companies, companies that provide general administrative services, health information organizations e-prescribing gateways, or personal health record vendors that provide services to covered entities. PHI may be disclosed to reinsurers for underwriting, audit or claim review reasons. PHI may also be disclosed as part of a potential merger or acquisition involving our business in order that the parties to the transaction may make an informed business decision.

- **To Plan Sponsors:** We may disclose summary health information such as claims history or claims expenses to a plan sponsor to enable it to obtain premium bids from health plans, or to modify, amend or terminate a group health plan. We may also disclose PHI to a plan sponsor to help administer its plan if the plan sponsor agrees to restrict its use and disclosure of PHI in accordance with federal law.

- **To Individuals Involved in Your Care:** We may disclose your PHI to a family member or other individual who is involved in your health care or payment of your health care. For example, we may disclose PHI to a covered family member whom you have authorized to contact us regarding payment of a claim.

- **Where Required by Law or for Public Health Activities:** We disclose PHI when required by federal, state or local law. Examples of such mandatory disclosures include notifying state or local health authorities regarding particular communicable diseases, or providing PHI to a governmental agency or regulator with health care oversight responsibilities.

- **To Avert a Serious Threat to Health or Safety:** We may disclose PHI to avert a serious threat to someone's health or safety. We may also disclose PHI to federal, state or local agencies engaged in disaster relief, as well as to private disaster relief or disaster assistance agencies to allow such entities to carry out their responsibilities in specific disaster situations.

- **For Health-Related Benefits or Services:** We may use your PHI to provide you with information about benefits available to you under your current coverage or policy and, in limited situations, about health-related products or services that may be of

interest to you. However, we will not send marketing communications to you in exchange for financial remuneration from a third party without your authorization.

- **For Law Enforcement or Specific Government Functions:** We may disclose PHI in response to a request by a law enforcement official made through a court order, subpoena, warrant, summons or similar process. We may disclose PHI about you to federal officials for intelligence, counterintelligence, and other national security activities authorized by law.

- **When Requested as Part of a Regulatory or Legal Proceeding:** If you or your estate are involved in a lawsuit or a dispute, we may disclose PHI about you in response to a court or administrative order. We may also disclose PHI about you in response to a subpoena, discovery request, or other lawful process, but only if efforts have been made to tell you about the request or to obtain an order protecting the PHI requested. We may disclose PHI to any governmental agency or regulator with whom you have filed a complaint or as part of a regulatory agency examination.

- **PHI about Deceased Individuals :** We may release PHI to a coroner or medical examiner to assist in identifying a deceased individual or to determine the cause of death. In addition, we may disclose a deceased's person's PHI to a family member or individual involved in the care or payment for care of the deceased person unless doing so is inconsistent with any prior expressed preference of the deceased person which is known to us.

- **Other Uses of PHI:** Other uses and disclosures of PHI not covered by this notice and permitted by the laws that apply to us will be made only with your written authorization or that of your legal representative. If we are authorized to use or disclose PHI about you, you or your legally authorized representative may revoke that authorization in writing at any time, except to the extent that we have taken action relying on the authorization or if the authorization was obtained as a condition of obtaining your Coverage. You should understand that we will not be able to take back any disclosures we have already made with authorization.

Your Rights Regarding Protected Health Information That We Maintain About You

The following are your various rights as a consumer under HIPAA concerning your PHI. Should you have questions about or wish to exercise a specific right, please contact us in writing at the applicable Contact Address listed on the last page.

- **Right to Inspect and Copy Your PHI:** In most cases, you have the right to inspect and obtain a copy

of the PHI that we maintain about you. If we maintain the requested PHI electronically, you may ask us to provide you with the PHI in electronic format, if readily producible; or, if not, in a readable electronic form and format agreed to by you and us. To receive a copy of your PHI, you may be charged a fee for the costs of copying, mailing, electronic media, or other supplies associated with your request. You may also direct us to send the PHI you have requested to another person designated by you, so long as your request is in writing and clearly identifies the designated individual. However, certain types of PHI will not be made available for inspection and copying. This includes psychotherapy notes or PHI collected by us in connection with, or in reasonable anticipation of, any claim or legal proceeding. In very limited circumstances, we may deny your request to inspect and obtain a copy of your PHI. If we do, you may request that the denial be reviewed. The review will be conducted by an individual chosen by us who was not involved in the original decision to deny your request. We will comply with the outcome of that review.

- **Right to Amend Your PHI:** If you believe that your PHI is incorrect or that an important part of it is missing, you have the right to ask us to amend your PHI while it is kept by or for us. You must specify the reason for your request. We may deny your request if it is not in writing or does not include a reason that supports the request. In addition, we may deny your request if you ask us to amend PHI that:

- is accurate and complete;
- was not created by us, unless the person or entity that created the PHI is no longer available to make the amendment;
- is not part of the PHI kept by or for us; or
- is not part of the PHI which you would be permitted to inspect and copy.

- **Right to a List of Disclosures:** You have the right to request a list of the disclosures we have made of your PHI. This list will not include disclosures made for treatment, payment, health care operations, purposes of national security, to law enforcement, to corrections personnel, pursuant to your authorization, or directly to you. To request this list, you must submit your request in writing. Your request must state the time period for which you want to receive a list of disclosures. You may only request an accounting of disclosures for a period of time less than six years prior to the date of your request. Your request should indicate in what form you want the list (for example, paper or electronic). The first list you request within a 12-month period will be free. We may charge you for responding to any additional requests. We will notify you of the cost involved, and you may choose to withdraw or modify your request at that time before you incur any cost.

- **Right to Request Restrictions:** You have the Right to request a restriction or limitation on PHI we

Use or disclose about you for treatment, payment, or health care operations, or that we disclose to someone who may be involved in your care or payment for your care, like a family member or friend. While we will consider your request, **we are not required to agree to it.** If we do agree to it, we will comply with your request. To request a restriction, you must make your request in writing. In your request, you must tell us (1) what information you want to limit; (2) whether you want to limit our use, disclosure or both; and (3) to whom you want the limits to apply (for example, disclosures to your spouse or parent). We will not agree to restrictions on PHI uses or disclosures that are legally required, or which are necessary to administer our business.

- **Right to Request Confidential**

Communications : You have the right to request that we communicate with you about PHI in a certain way or at a certain location if you tell us that communication in another manner may endanger you. For example, you can ask that we only contact you at work or by mail. To request confidential communications, you must make your request in writing and specify how or where you wish to be contacted. Dental claim forms can also be downloaded from www.metlife.com/dental.

Routine Questions

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-800-438-6388.

Claim Submission

For claims for dental benefits, the claimant must complete the appropriate claim form and submit the required proof as described in the FILING A CLAIM section of the certificate.

Claim forms must be submitted in accordance with the instructions on the claim form.

Initial Determination

After you submit a claim for dental benefits to MetLife, MetLife will review your claim and notify you of its decision to approve or deny your claim.

Such notification will be provided to you within a 30 day period from the date you submitted your claim; except for situations requiring an extension of time of up to 15 days because of matters beyond the control of the Plan. If MetLife needs such an extension, MetLife will notify you prior to the expiration of the initial 30 day period, state the reason why the extension is needed, and state when it will make its determination. If an extension is needed because you did not provide sufficient information or filed an incomplete claim, the time from the date of MetLife's notice requesting further information and an extension until MetLife receives the requested information does not count toward the time period MetLife is allowed to notify you as to its claim decision. You will have 45 days to provide the requested information from the date you receive the notice requesting further information from MetLife.

If MetLife denies your claim in whole or in part, the notification of the claims decision will state the reason why your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied because MetLife did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criteria was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that you may request a copy free of charge.

Appealing the Initial Determination

If MetLife denies your claim, you may make two appeals of the initial determination. Upon your written request, MetLife will provide you free of charge with copies of documents, records and other information relevant to your claim. You must submit your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife's decision. Appeals must be in writing and must include at least the following information:

- Name of Employee
- Name of the Plan
- Reference to the initial decision
- Whether the appeal is the first or second appeal of the initial determination
- An explanation why you are appealing the initial determination

As part of each appeal, you may submit any written comments, documents, records, or other information relating to your claim.

After MetLife receives your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of your claim. Deference will not be given to initial denials, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that you submit relating to your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review your appeal will not be the same person as the person who made the initial decision to deny your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify you in writing of its final decision within 30 days after MetLife's receipt of your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify you prior to the expiration of the initial 30 day period, state the reason(s) why such an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send you a final written decision that states the reason(s) why the claim you appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criteria was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that you may request a copy free of charge. Upon written request, MetLife will provide you free of charge with copies of documents, records and other information relevant to your claim.

When the claim has been processed, you will be notified of the benefits paid. If any benefits have been denied, you will receive a written explanation.

Urgent Care Claim Submission

A small number of claims for dental benefits may be urgent care claims. Urgent care claims for dental benefits are claims for reimbursement of dental expenses for services which a dentist familiar with the dental condition determines would subject the patient to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim. Of course any such claim may always be submitted in accordance with the normal claim procedures. However your dentist may also submit such a claim to MetLife by telephoning MetLife and informing MetLife that the claim is an Urgent Care Claim. Urgent Care Claims are processed according to the procedures set out above, however once a claim for urgent care is submitted, MetLife will notify you of the determination on the claim as soon as possible, but no later than 72 hours after the claim was filed. If you or your covered dependent does not provide the claims administrator with enough information to decide the claim, MetLife will notify you within 24 hours after it receives the claim of the further information that is needed. You will have 48 hours to provide the information. If the needed information is provided, MetLife will then notify you of the claim decision within 48 hours after MetLife received the information. If the needed information is not provided, MetLife will notify you or your covered dependent of its decision within 120 hours after the claim was received.

If your urgent care claim is denied but you receive the care, you may appeal the denial using the normal claim procedures. If your urgent care claim is denied and you do not receive the care, you can request an expedited appeal of your claim denial by phone or in writing. MetLife will provide you any necessary information to assist you in your appeal. MetLife will then notify you of its decision within 72 hours of your request in writing. However, MetLife may notify you by phone within the time frames above and then mail you a written notice.

Discretionary Authority of Plan Administrator and Other Plan Fiduciaries

In carrying out their respective responsibilities under the Plan, the Plan administrator and other Plan fiduciaries shall have discretionary authority to interpret the terms of the Plan and to determine eligibility for and entitlement to Plan benefits in accordance with the terms of the Plan. Any interpretation or determination made pursuant to such discretionary authority shall be given full force and effect, unless it can be shown that the interpretation or determination was arbitrary and capricious.

NOTICE OF YOUR RIGHT AND YOUR DEPENDENTS' RIGHT TO COBRA CONTINUATION COVERAGE

COBRA is a federal law that requires most group health plans to give their employees and their dependents the opportunity to continue coverage when coverage is terminated due to certain specific events. If your employment terminates for any reason other than your gross misconduct, or if your hours worked are reduced so that your coverage terminates, you and your covered dependents may be able to continue coverage under This Plan for a period of up to 18 months. If it is determined under the terms of the Social Security Act that you or your covered dependent is disabled within the first 60 days of COBRA coverage, you and your covered dependents may be able to continue your dental coverage under This Plan for an additional 11 months after the expiration of the 18 month period. In addition, if you should die, become divorced or legally separated, or become eligible for Medicare, your covered dependents may be able to continue coverage under This Plan for up to 36 months. Also, your covered children may be able to continue coverage under This Plan for up to 36 months after they no longer qualify as covered dependents under the terms of This Plan. Group health plans for employers with fewer than 20 employees, church plans, and plans established and maintained by the federal government are not subject to COBRA continuation requirements.

During the continuation period, a child of yours that is (1) born; (2) adopted by you; or (3) placed with you for adoption, will be treated as if the child were a covered dependent at the time coverage was lost due to an event described above.

This continuation will terminate on the earliest of:

- a. the end of the 18, 29 or 36 month continuation period, as the case may be;
- b. the date of expiration of the last period for which the required payment was made;
- c. the date, after you or your covered dependent elects to continue coverage, that you or your covered dependent first becomes covered under another group health plan as long as the new plan does not contain any exclusion or limitation with respect to your or your covered dependent's preexisting condition;
- d. the date your employer ceases to provide any group health plan for its employees.

Notice will be given when you or your covered dependent becomes entitled to continue coverage under This Plan. You or your covered dependent will then have 60 days to elect to continue coverage. If you or your covered dependent do not notify your Employer within the 60-day election period, you will lose the option to elect continuation coverage.

Each person who is eligible for COBRA coverage is entitled to make a separate election of COBRA coverage. Thus, a covered spouse (as defined by federal law) or dependent child (or parent on their behalf) is entitled to elect COBRA coverage even if the covered Employee does not make that election. However, covered Employees may elect COBRA coverage on behalf of their covered dependents. Any person who elects to continue coverage under This Plan must pay the full cost of that coverage (including both the share you now pay and the share your Employer now pays), plus any additional amounts permitted by law. Your payments for continued coverage must be made on the first day of each month in advance.

If you do not elect COBRA coverage, your dental coverage will end. However, if you initially waive COBRA continuation coverage before the end of the 60-day election period, you may change your election by sending the completed election form to the Plan Administrator and postmarking it no later than the last day of the 60-day election period.

Qualifying Event Due To Bankruptcy Of Employer

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to the Employer, and that bankruptcy results in the loss of coverage of any retired employee covered under This Plan, the retired employee will become a qualified beneficiary with respect to the bankruptcy. The retired employee's covered spouse and covered dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under This Plan.

If You Elect COBRA

If you choose COBRA coverage and pay the required premiums, you are entitled to coverage which, as of the time coverage is being provided, is identical to the coverage provided by the Employer to similarly situated active Employees, spouses or dependent children. This means that if the coverage for similarly situated Employees, spouses or dependent children changes, coverage will change for those who elected COBRA coverage.

Duration Of COBRA Coverage

The law requires that you be given the opportunity to maintain COBRA coverage for 36 months from the date coverage ends as a result of the qualifying event unless you lost coverage because of the covered Employee's termination of employment or reduction in hours. In that case, the required COBRA coverage period is 18 months from the date you lose coverage as a result of the termination of employment or reduction in hours. However, the 18-month coverage period may be extended under the following circumstances:

Disability. If any person entitled to COBRA coverage (the covered Employee, covered spouse or covered dependent child) is determined by the Social Security Administration to have been disabled at any time during the first 60 days of COBRA coverage period and the disability lasts at least until the end of the 18 month period of continuation coverage, then all such persons entitled to elect COBRA coverage may be able to continue coverage for up to 29 months, rather than 18 months.

In order to be eligible for the additional 11 months of COBRA coverage, the covered Employee, covered spouse or covered dependent child must notify the Employer's COBRA Administrator within 60 days of the **latest** of: (1) the Social Security Administration's determination of disability; (2) the date of the qualifying event; (3) the date on which the covered Employee's coverage initially was or will be lost; or (4) the date a person entitled to COBRA coverage is informed of this obligation by being provided the initial COBRA notice for the applicable group health plan. Written notice to the COBRA Administrator must be received before the end of the initial 18-month coverage period. A copy of the Social Security Administration's determination must be provided to the COBRA Administrator. **If these procedures are not followed, there will be no disability extension of COBRA.**

During the additional 11 months of coverage, your cost for that coverage will be approximately 50% higher than it was during the preceding 18 months.

The additional 11 months of coverage provided on account of a disability will end as of the earlier of:

- The first day of the month beginning more than 30 days after a final determination by the Social Security Administration that the disability no longer exists; or
- The last day of the 29th month of total coverage.

A person entitled to COBRA coverage must notify the COBRA Administrator within 30 days if the Social Security Administration determines that the disabled person is no longer disabled. This Plan reserves the right to retroactively cancel COBRA coverage, and will require reimbursement of all benefits paid for claims incurred after coverage terminates.

Subsequent Qualifying Events. If, during the 18-month period of COBRA coverage (or within the 29-month maximum coverage period in the case of a disability extension), the covered Employee and the spouse divorce, the covered Employee dies, the covered Employee becomes entitled to Medicare, or a dependent ceases to be an eligible dependent under the terms of This Plan, then the covered spouse and/or covered dependent child(ren) (as applicable) may be able to extend COBRA coverage for up to 36 months from the date of the termination of employment or reduction in hours.

A person entitled to COBRA coverage must notify the Employer's COBRA Administrator of the subsequent event no later than 60 days after its occurrence. If such notification is not given, the covered spouse and/or covered dependent child will not be entitled to the additional COBRA coverage.

Premiums For COBRA Coverage

A person entitled to COBRA coverage is entirely responsible for paying the premiums for COBRA coverage. The required payment for each continuation coverage period for each option will be described in the notice that is sent when an individual experiences a qualifying event.

Initial Premium Payment

If continuation of coverage is elected, payment for continuation coverage must be made no later than 45 days after the date of such election. (This is the date the election notice is post-marked, if mailed.) If the first payment for continuation coverage is not made in full by the 45th day after the date of election, continuation coverage under This Plan will end. A person entitled to COBRA coverage is responsible for making sure that the amount of the first payment is correct.

After the first payment for continuation coverage, the amount due for each coverage period for each qualified beneficiary will be provided when coverage is elected.

STATEMENT OF ERISA RIGHTS

The following statement is required by federal law and regulation.

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, all Plan documents governing the Plan, including insurance contracts and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefit Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Continue Group Dental Plan Insurance

Continue dental insurance for yourself, spouse or dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this summary plan description and the documents governing the Plan on the rules governing your COBRA continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries.

No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110.00 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court.

In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a medical child support order, you may file suit in Federal court.

If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court.

The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees.

If you lose, the court may order you to pay these costs and fees; for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Uniformed Services Employment And Reemployment Rights Act

This section describes the right that you may have to continue coverage for yourself and your covered dependents under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA).

Continuation of Group Dental Insurance:

If you take a leave from employment for “service in the uniformed services,” as that term is defined in USERRA, and as a consequence your dental insurance coverage under your employer’s group dental insurance policy ends, you may elect to continue dental insurance for yourself and your covered dependents, for a limited period of time, as described below.

The law requires that your employer notify you of your rights, benefits and obligations under USERRA including instructions on how to elect to continue insurance, the amount and procedure for payment of premium. If permitted by USERRA, your employer may require that you elect to continue coverage within a period of time specified by your employer.

You may be responsible for payment of the required premium to continue insurance. If your leave from employment for service in the uniformed services lasts less than 31 days, your required premium will be no more than the amount you were required to pay for dental insurance before the leave began; for a leave lasting 31 or more days, you may be required to pay up to 102% of the total dental insurance premium, including any amount that your employer was paying before the leave began.

Your and your covered dependents’ insurance that is continued pursuant to USERRA will end on the earliest of the following:

- the end of 24 consecutive months from the date your leave from employment for service in the uniformed services begins; or
- the day after the date on which you fail to apply for, or return to employment, in accordance with USERRA.

You and your covered dependent may become entitled to continuation of coverage under the Consolidated Omnibus Budget Reconciliation Act (“COBRA”) while you have dental insurance coverage under your employer’s group dental insurance policy pursuant to USERRA. Contact your employer for more information.
