HEALTH SAVINGS ACCOUNT (HSA)		
A Health Savings Account (HSA) is an account established with pre-taxed money in order to save for future medical expenses. In order to establish an HSA you must first be enrolled in an HSA-Qualified High Deductible Health Plan (HDHP). An HDHP is a health plan that satisfies certain government requirements for use in conjunction with a HSA. This plan is designed to meet those government requirements. Enrolling in an HDHP allows you the opportunity to make contributions to an HSA on a pre-tax basis.		
Maximum Contribution: The maximum contribution amount is indexed each year by the U.S. Treasury. The 2024 maximum contribution is **$4,150** for single coverage and **$8,300** for family coverage. If you have any questions about the benefits of an HSA, please consult your tax accountant.

Useful Information to Maximize Benefits		
• *To maximize your benefits, always use in-network providers for services covered by your health benefit plan. To find in-network providers, check a provider directory, provider finder website (**FL.ExploreMyPlan.com/FindADoctor)** or call 1-855-630-6824).* • *In-network hospitals, physicians and other healthcare providers have a contract with Blue Cross and Blue Shield of Florida or another Blue Cross and/or Blue Shield Plan for furnishing healthcare services at a reduced price (examples: BlueCard® PPO, PMD). In-network pharmacies are pharmacies that participate with Blue Cross and Blue Shield or its Pharmacy Benefit Manager(s).* • *Note: Home Sleep Studies are not subject to medical criteria for coverage; however, Outpatient Sleep Studies are subject to standard medical criteria for coverage.* • *In Florida, in-network services provided by mental health disorders and substance abuse professionals are available. Sometimes an in-network provider may furnish a service to you that is not covered under the contract between the provider and a Blue Cross and/or Blue Shield Plan. When this happens, benefits may be denied or reduced. Please refer to your benefit booklet for the type of provider network that we determine to be an in-network provider for a particular service or supply.* • *Out-of-network providers generally do not contract with Blue Cross and Blue Shield of Florida or another Blue Cross and/or Blue Shield Plan. If you use out-of-network providers, you may be responsible for filing your own claims and paying the difference between the provider's charge and the allowed amount. The allowed amount may be based on the negotiated rate payable to in-network providers in the same area or the average charge for care in the area, or in accordance with applicable Federal law.*
