Retail providers are conveniently located in or near major shopping centers and offer longer hours on nights and weekends. Many even have on-site labs so members can get their glasses in about an hour or during the same day. But there are a couple more things you should know about retailers. Unlike competitors, we define retail providers as practices with 20 or more locations. And with Blue Cross and Blue Shield of Illinois vision benefits, what you see is what you get! All participating retail providers are considered in-network.

Members may locate a provider using the provider locator function on our website at eyemedvisioncare.com/bcbsilvis or by calling 855-362-5539.

*Listing is not all-inclusive. Actual insurance acceptance may vary by location.
