Understanding Your Coverage Options

Employer-Sponsored Coverage

Health coverage that's offered through you or spouses employer. Usually offered to active staff of the company, Federal laws allow you to extend employer coverage from 18-36 months after employment.

Original Medicare: Parts A & B

The most essential element of Medicare, Part A covers inpatient care and skilled nursing facilities. Part B, an extension of your coverage, focuses on outpatient and preventative services.

Medicare Part C

Also known as the Medicare Advantage Plan, Part C combines the coverage of other Parts in a comprehensive, privately-offered package.

Medicare Part D

Medicare Part D covers prescription drugs, giving you peace of mind about your medication expenses.

Medicare Supplement

Medicare supplements are insurance plans that fill the gaps in your Medicare coverage —like co-payments, coinsurance, and deductibles.

LIG Solutions' dedicated staff is here to educate and answer all questions around your Medicare coverage options.

We do not offer every plan available in your area. Currently we represent 7 organizations which offer over 200 products in your area. Please contact Medicare.gov, 1-800-MEDICARE, or your local State Health Insurance Program (SHIP) to get information on all of your options.
